# WOUNDED WARRIORS CANADA

## WOUNDED WARRIOR BC RUN FEB 29

A Huge Thank-You to Hub City Fisheries, Timothy Oyster and all of our wonderful volunteers!! \$1241 was raised at the dinner for Wounded Warriors, bringing your Legions total donation to \$2260 !!

**WWC Mission:** To honour and support Canada's ill and injured Canadian Armed Forces members, Veterans, First Responders and their families.

WWC combines gateway programming, clinical support, research, and mental health promotion to help transform the lives of our uniformed service personnel and their families affected by Operational Stress Injuries. Taken together, they have created an innovative approach to mental health that uses clinical best practices and evidence informed care to create an environment of compassion, resilience and hope for our Veterans, First Responders and their families.

## IT'S TIME TO RENEW MEMBERSHIPS!

Every day, Legion members across Canada help improve the lives of Veterans and their families by volunteering time, raising money and showing their appreciation. Thanks to them, we are able to continue supporting those who served.
